Caliber helps tackle childhood hunger for 11 years running
Annual Restoring You™ Food Drive supports summer food bank programs

LEWISVILLE, TEXAS (April 27, 2022) – The [Caliber](#) family of brands, including Caliber Collision, alongside Caliber Auto Care and Caliber Auto Glass, launches its 11th annual [Restoring You™](#) Food Drive on May 2. This food drive helps demonstrate Caliber's commitment to its purpose of [Restoring the Rhythm of Your Life®](#).

Food insecurity is an ongoing problem across the country. National non-profit [Feeding America](#) published that 38 million people, among them 12 million children, experience food insecurity. Additionally, the rising cost of living, including housing, food and gas prices, directly contributes to lacking food resources.

Caliber specifically targets a springtime food drive to provide meals for families and children in need, particularly children who will miss out on subsidized meals as schools close over summer break. What started for Caliber as a grassroots effort by a caring teammate in one shop has expanded to more than 1,450 centers partnering with over 95 food banks across the country. Since 2011, Caliber's annual food drive has provided more than 24 million meals to those in need through these efforts.

"From teammates to partners to customers, I am extremely proud of the positive impact our annual food drive has made over the last decade. We operate as a family at Caliber and are driven by our purpose of Restoring the Rhythm of Your Life® – lending a helping hand to children and families facing food insecurity is one of the ways we live our purpose," said Caliber CEO and President Mark Sanders. "During our 11th Annual Restoring You™ Food Drive, we will continue supporting local food banks that provide urgent food assistance in all of the communities that Caliber serves."

With the goal of donating more than four million meals during its 2022 food drive, the Caliber team needs your support. Non-perishable food and monetary donations can be made at any Caliber location from May 2 through June 17. As always, 100% of donations go to local food banks where just \$1 provides six meals to children in need. Additionally, to make funds go further, the Caliber Foundation, Caliber's 501(c)(3) non-profit, is matching all monetary donations it receives for the food drive by \$.25 for every dollar raised, and donations to the Caliber Foundation are tax-deductible.
